

From the coach

With the recent completion of the NEJTA Saturday morning junior competition Autumn season I would like to congratulate the four Eaglemont teams who made it through to the grand finals – boys section 27, 26, 19 and girls section 11. Saturday's finals action saw section 27, 19 and 11 triumph and boys section 26 lose narrowly to Rosanna. It was a fantastic effort to have 4 out of the 10 Eaglemont teams win through to their respective grand finals of their section, and particular mention should be made of boys section 27, who won despite it being the first season of competition for all team members.

Next season we have 13 teams entered, with the season starting on Saturday January 31. Please note that term one 2009 coaching classes will begin on February 1 and all students will be automatically enrolled for term one classes but if you need to change any details or have any questions about the coaching programs please let me know.

Have a safe Christmas and enjoy the tennis!
