

From the coach

Welcome back to tennis coaching for term 4 – a time when the weather warms up and the courts need some extra care from all users. As we are trying to use as little water as possible during the summer I strongly recommend that all players look after the courts by bagging them regularly and wearing the correct footwork to ensure that the courts aren't damaged. At the half way mark of NEJTA junior competition it is encouraging to see some of our teams doing so well. I would like to thank all the parents for their efforts and patience, particularly with so many new juniors competing. It is also pleasing to see how our juniors have competed fairly and enthusiastically, despite many of them being so inexperienced. We are looking for new players for the 2009 season so please let me know if you are interested before the December deadline.

Shane Scrutton Head Coach
