2009 Term 3 newsletter

From the coach

Welcome to the Little tacker tennis program for term 3 and 4. We are excited to announce the opening of the program at Eltham Leisure Centre in term 3 under the direction of Tristan King, who has been coaching with the Little tacker program since 2005. Thanks to all the parents who have given us positive feedback about the program - our aim is to get children starting early and continuing with tennis (we also coach many children aged 5 + both afterschool at Eaglemont Tennis Club and Saturday morning at Macleod YMCA, some of whom also play junior competition). This newsletter contains information about the different coaching venues, as well as a brief overview of the other programs that we offer. Please see overleaf for a timetable of when and where we are running the program for the rest of 2009 and feel free to pass on our details to anyone you think might be interested in learning tennis. If you have any questions about coaching or want to provide some feedback just give me a call on 0414 373 586.
