

## From the coach

It was encouraging to see so many juniors playing in the recent April school holiday round robin tournament at Eaglemont. Despite the wet weather we had about 40 juniors competing, some of whom had not played a tournament before and benefited greatly from playing so many singles and doubles matches in the round robin format. Congratulations to singles finalists Louis Smithers, Mary Pisasale, Miles Ranogajec and Daniel Pederick and to Paris Terrill, the raffle winner of the Prince thermo bag. We currently have 13 teams entered in Saturday morning NEJTA junior competition so don't forget to let me know if you are interested in playing in winter competition as the deadline for teams to be entered is June 1. See you on the courts soon.
