

From the coach

The recent finals of the Saturday morning NEJTA junior competition proved exceptionally successful for Eaglemont, with 3 teams winning their grand finals and 3 teams finishing runner up. Many of the players braved the cold and joined in the 7.30 am warmup prior to the grand final, and the excellent results shows again the value of warming up properly before a big match! We will have 14 teams entered in 2009 Spring season Saturday morning NEJTA junior competition but we are keen to increase this number so please let me know if you are interested. On the administration side, to simplify coaching payments during the term please note that coaching invoices will **not** be handed out during coaching sessions- all payment details are listed overleaf and please note that payments are payable by the second week of each term. If you're not sure about fees or anything please ask me at the courts or call me on 0414 373 586.
